To whom it may concern:

The sisters of Eta Omega fully accredit and support Lupe “AkewStYeK” Ramon to be elected as the Tau Beta Sigma Western District President. They have demonstrated incredible leadership throughout our chapter and the district alike. They exemplify our five qualities and eight essential factors in their day-to-day life and we are proud to have them as our Secretary, Historian, Webmaster, DOSA, Music Chair for the Fall ‘23/Spring ‘24 semester, and now President for the Spring ‘24 semester.

In their time at Fresno State, they have held many leadership positions within our chapter. They were our chapter’s Treasurer from ‘20 to ‘21, our Music chair from ‘20 to ‘21 and ‘23 to ‘24, and the Webmaster from ‘20 to 24’. They are an active member in our band program and chapter. While they are more of a timid personality, they have put themselves out there to lead our chapter. When something is asked of Lupe, they do it without any questions.

Lupe has also made an impact on our district as they have attended and contributed to WDC ‘23 as well as being the Western District Secretary/Treasurer for the 2022-2023 year. They are always advocating for our sisters to take part in these events so that we may learn and grow in the same manner they did.

They lead with a kind heart and always strive to create a comfortable environment for every single sister of Eta Omega. Regardless of the challenges they face, they work hard to achieve their goals set within the chapter. Lupe Ramon is dependable, responsible, and a very knowledgeable sister, who works well with others, always willing to find some sort of solution for any problem presented to them. We are firm believers that Lupe Ramon will achieve great things as the Western District President.

Sincerely,

Jessalyn “eelevyn” Romero
