
Lupe Ramon

for Western District President

To my sisters,

As I started my journey in this organization, I have grown more and more found of it with each passing year. As I return to WDC, my drive to do more has not diminished, and so I write this to you, in hopes that I may be a candidate for the Western District President position.

I have been an active sister of the Eta Omega chapter of Tau Beta Sigma since Fall of 2019. Right out the gate, my first active semester, I applied to be our chapters Treasurer and continued to hold that position into the Fall 2020 and Spring 2021 year. This Spring, I had the opportunity to take over as our Chapter President, and I was very excited as I already play a big part in our sorority and saw this as a chance to expand my knowledge. It was a big step, but I was ready, and am, thankfully, a huge advocate for communication and have always reached out for help if needed.

I have always believed that communication is key to being successful in leader positions. I will do my part to help anyone who needs guidance, as well as communicating if I need a bigger understand of a responsibility appointed to me.

I hope I can do more for the organization if I should be elected for Western District President. Thank you in advance for your consideration

MLiTB,

Lupe "AkewStYeK" Ramon

President '23-'24

DOSA '23-'24
